

## **Student Member Representative for the ISONG Board**

### *Position description and expectations*

“The ISONG Student Member Representative will have a unique opportunity to interact with ISONG leadership and to serve as a representative for peers in the Society. The Student Member Representative will be a voting member of the ISONG board. The Student Member Representative’s duties will include, but will not be limited to: serving as a liaison to any of the existing Special Interest Groups (SIGs) or committees, brainstorming ideas that increase student involvement in the organization, and representing concerns of students to the ISONG board. The Student Member Representative will contribute to the creation of programming for annual meetings, such as poster sessions and networking events for students. The Student Member Representative may contribute in finding speakers for meetings, symposia and webinars. Additionally, the Student Member Representative will disseminate news, such as award information and deadlines, to all ISONG student members. The Student Member Representative will be chosen during general elections and will serve for a term of one year and may have the option for a second elected term. The Student Member Representative will be expected to attend all scheduled Board meetings and to submit annual reports to the ISONG board.

***Expectations: Student Member Representatives are expected to attend all the regular ISONG meetings throughout the year. Student Member Representative is defined as any nurse who is pursuing graduate education.***
